Tea of the Month program

The Willy Street Co-op and Rishi Tea are working together to offer our members a discount on a different variety of Rishi tea each month. Want to try a sample before purchasing? The Juice Bar will be offering free samples of the sale tea on weekends. If you want to buy some made-to-go, the Juice Bar will also be carrying that variety of tea (if not already) for the month of the sale. This month's sale tea is Jasmine Pearl.

Jasmine Pearl is a green tea infused with the essence of fresh jasmine blossoms. The tender green tea leaves and buds are each hand rolled into small pearls, and mixed with the fragrant jasmine blossoms in a traditional technique that dates back over nine centuries! The tea absorbs the fragrant essences of the fresh jasmine, making the pearls sweet and very aromatic. The blossoms are then removed by hand after the scenting process, leaving only the jasmine-infused tea pearls. Jasmine tea is said to ease nervous tension, break down saturated fat, reduce cholesterol, and increase circulation.
