**Graza
Drizzle Extra Virgin Olive Oil**

This tasty olive oil is "Made for eating, never heating." The olives are picked early for this reason, when the flavor is bolder and antioxidant levels are highest. Refill cans are available!

**Lucky Foods
Seoul Kimchi Spicy**

I have tried all of the kimchi that we sell at the Co-op and this is by far my favorite. It has the perfect amount of spice and flavor. I like the cabbage that they use, as it has big pieces and absorbs the flavor well. Available at Willy North and Willy West only.

**Cedar Roads
Old World Hot Dogs**

L

Great taste. Perfect for grilling, roasting over an open fire or just throw it in a pot of boiling water. Kick it up a notch and chill cheese dog that thing!!!

MADE BY YOUR CO-OP

**Ovum
Big Salt Orange Rosé**

This wine is perfect for patio season! It's bright and slightly tannic, with a beautiful pale orange hue. A great example of a skin contact orange wine. It's a crowd-pleaser, so don't hesitate to take it to a dinner party. Available at Willy East and Willy North only.

**Willy Street Co-op
Aztec Quinoa Salad**

L

The combination of beans, quinoa, bell peppers, cucumber, and everything else is just perfect. Texture and flavor—it's a great salad!

**Organic Valley
Sliced Provolone**

L

Organic Valley has the best sliced cheese. It's the perfect cheese for the first cheese layer on my Mini Muffaletta or any sandwich when the weather is warm and you don't feel like cooking.

**Olden Organics
Pico de Gallo**

i L

This raw pico de gallo is bright and fresh-tasting with a mild tang from the lime juice and onions. It's well-balanced and has a great texture for adding to a cold soup or as a topping for proteins or grain bowls.
